MARILYN SHARP, left, and Sandra Fontenot of Girlstown USA express appreciation to Canyon Jaycees, J. W. Sims and Carl Miller, Sunday when they visited the girl's home. The local

group took two carloads of clothing, bedding and other items to the home as the beginning of a "communitywide" effort to aid the home.

Jaycees Seek Method To Assist Girlstown

BY LORENA MILLER
Girls, girls, girls... and their "home". . . Girlstown were visited Sunday afternoon by several Canyon Jaycees and their wives.

Located amid sagebrush and sandhills, the girl's home is nine miles south of Whiteface, Texas on Farm Road 1780, which is about 150 miles southwest of Canyon.

The Canyon Jaycees took with them two carloads of clothing, bedding, and miscellaneous items which had been collected by the Westside Home Demonstration Club of Canyon. They also took an operating portable television which was donated by a local family.

Marshall Cooper, managing director of Girlstown, commented, "We can use this, we need almost everything now." Explaining the situation, Cooper stated that in December of 1966 it was suggested that the home be closed because of a \$28,000 debt and no income with which to meet needs and pay expenses.

"But we have held on this long," said Cooper. "We'll continue to hold on if we can get the help of the area now." "We have had some help recently," said Cooper explaining that the Army Reserve unit from Lubbock has repaired a ceiling in the old dormitory which was built in 1949 and "has had very little work on it since."

"Levelland Jaycees were out

Saturday night with their paint brushes to work in the old dorm's livingroom," said Cooper "but we need desperately to re-shingle the entire building and the girls also need paint so that they can repaint their own rooms."

"Our maintenance costs eat us up," said Cooper, who has been with the home for three years as director.

In addition to Cooper, his wife and children, there are three couples and two single women who reside at the home

and serve in the capacity as "house parents".

Some 60 girls between the ages of 8-19 call Girlstown their "home". Girlstown is not a correctional institution but a home for homeless girls.

The home is located on a 1,425 acre site which is covered with oil wells. "But we don't have the mineral rights," said Cooper. "Someday when all of the heirs die, which may be 200 years, then the home will

Blood Shortage Is Noted Here

BY WAYNE BOARD
What has been described as a "tremendous shortage" has prompted the Coffee Memorial Blood Center in Amarillo to open a sub-station in Canyon. "The blood shortage is not only in this area," said Tommy White, sub-station technical director, "but is a shortage of blood throughout the whole country."

The center here will be open from 11 a.m. through 2 p.m. Monday, Wednesday and Friday. The sub-station is located at 4th Avenue and 17th Street at the rear of the Davis Agency.

There are two major advantages to giving a pint of blood

One is the replacement of blood used by another person. "The pint of blood given will give the donor credit for \$15 toward the purchase of a hospital transfusion," White stated.

A patient is usually charged \$22 per pint in most hospitals, (See BLOOD, Page 3)

New Degree Gets Regent Approval

Approval for West Texas State University to request a B. S. degree with a major in biomedical sciences was given Tuesday by the Board of Regents, Texas State Senior Colleges, meeting in Huntsville.

The University will request the new program from the Coordinating Board, Texas College and University System, and also will ask approval of a new course in "Molecular Biology" to satisfy requirements for the major field.

The new program is being sought so the University may offer proper training in research in biomedical sciences in accordance with an agreement with the M. D. Anderson Hospital and Tumor Institute and the University of Texas.

The board also approved an official flag for the University. The flag was designed by Ben Kline, a graduate student from Oklahoma City, winner of a contest sponsored by the Stafford Hall dormitory council. It was approved by the Student Senate, campus governing association.

Approval was also given for the University to charge pro-rates student service fees and building use fees for students enrolled for fewer than 9 semester hours. Students enrolled for 7 or 8 hours will pay \$17 service fee, and those enrolled for 3 to 6 hours will pay \$9.50. The building use fee will be on the basis of number of hours, or \$1 for each hour registered.

Fulltime students pay \$27 student service fee and \$12 building use fee.

Clifford On Stand

Testifying in his own behalf Wednesday afternoon, William B. Clifford admitted that he shot Billy Joe Stevens at a Hereford feed lot last April.

Clifford is charged in the shooting with assault with intent to murder with malice. Clifford, 34, appeared gaunt and haggard as he took the stand shortly before noon Wednesday.

Clifford was convicted of murder without malice in Denton last fall in connection with the April 8 shooting of his wife, Shirley. Mrs. Clifford was slain in a Canyon apartment. She and her husband were involved in divorce proceedings at that time.

Clifford, on a change of venue, was tried in Denton for the Good

PTA Sponsors Workshop On Monday Night

A community workshop, sponsored by the Rex Reeves Parent-Teacher Association, will be held Monday evening at 7:30 o'clock in the all-purpose room of Rex Reeves Elementary School.

The workshop will concern the Gilmer-Aiken Legislation with Huelyn Laycock, superintendent of schools, explaining "what the foundation of our school program is and how and to what extent the Canyon schools participate in the federal fund programs."

Second part of the session will deal with the pre-school program, Operation Headstart. Explaining the current participation of Canyon schools in the program and future plans for the program here will be L.H. Brotherton.

Also speaking during the second half of the program will be Angus Burnett, executive secretary for the Community Action Program, which was recently legislated to assist the needy areas in school programming. Burnett was formerly district superintendent with the Amarillo Baptist Association.

Valentine Talk

"BE MY VALENTINE" says Mike Jones shyly as he presents a box of sweets to Miss Cindy Kay Bailey. The two youngsters will be among those exchanging "hearts and flowers" greetings next Tuesday, February 14. Mike is the son of Mr. and Mrs. Jack Jones and parents of Cindy are Mr. and Mrs. Stanley Bailey. The box of chocolates were furnished by The Pharmacy.

Better Library Sought In City

"It is the duty of a community to provide for its own library needs," stated Mrs. T. B. McCarter, chairman of the Randall City-County Library Board at the annual end of year session held Monday.

Mrs. McCarter was quoting from a speech by Governor John Connally made recently at

a special librarian's conference. Mrs. McCarter continued that "counties should not depend solely on possible offers of federal aid."

"We have reached the bottom in hopes for the possible improvement of our library status here," stated Mrs. McCarter.

FFA Selling Pork, Fruit

The Future Farmers of America chapter at Canyon High School is currently raising funds through sale of sausage and fresh fruits.

The sausage is selling at 75 cents per pound. Grapefruit and oranges are being sold at a cost of \$4.50 for 40 pounds. Fruit order must be made by February 16 by contacting any member of the group or Carol Duncan, sponsor. The fruits will be delivered about February 20.

FFA sponsored student license tags have been reduced from \$1.50 to 75 cents and are available from any FFA member.

Mothers Net \$415 For MOD

A total of \$415.35 was collected Monday of last week during the "mothers march" for the March of Dimes in Canyon. Funds were turned in to Francis Shell, county chairman, by co-chairmen for the mothers drive, Mrs. Don Vars and Mrs. Darrell Munsell.

Activities for the drive were coordinated through the Canyon Study Club with assistance from a number of local women's groups.

Anthrax Cases Are Reported

A mild outbreak of anthrax has been reported in the northwest part of Randall County.

The first outbreak was on the L. E. Kitchens place about 12 miles northwest of Canyon. Kitchens noticed two animals ill two weeks ago Monday.

Both died the same day of an illness diagnosed as anthrax. In all, some five or six animals died of the disease.

One of the Kitchens calves was dragged to the John Plank farm and fed to Plank's hogs.

There was an outbreak of anthrax among the hogs and three swine died of the disease.

Dr. G. D. Lindsey, Levelland, inspector for the Texas Animal Health Commission, visited the county this week.

Plank said Dr. Lindsey put his place under quarantine until Feb. 21. Kitchens declined comment.

Kitchens is reported to have some 250 head of cattle on his place.

Plan To Wait On HUD Funds

It may be July of 1968 before a Master Planning Grant is approved for the City of Canyon.

City Manager Gary Gwyn told Canyon Commissioners Monday he had received notification

from David Cochran, director of environmental engineering for the Department of Health in Austin, that the Department of Housing and Urban Development has no funds.

"He said there wouldn't be any money for such projects until fiscal year 1968," Gwyn noted.

The City had earlier requested some \$19,000 from HUD for the long-range planning grant that would include topographic mapping, land use surveys, community facilities, zoning, administration and capital improvements program. (See PLAN, Page 3)

McClure said throngs of people waited patiently in line to see the paintings on display and to tour the \$600,000 facility.

The \$800,000 exhibit, containing Couse's works that are valued from \$600 to \$35,000, will remain on display through February, McClure said.

Couse moved to Taos, N.M., in 1901 and spent almost his

Probation Job Goes To Pond

Woody Pond, former game warden here, was hired by Randall County commissioners Monday as county juvenile probation officer.

There were four other applicants. Pond was hired at a regular meeting of the court. The job, part time, pays \$225 a month with \$50 a month car expenses.

Pond, 51 years old, is presently living at Miami in Roberts County.

He grew up at Miami and attended high school there. He was in the armed service from 1941 to 1945 and was Roberts County Judge for two terms in the late 1940s. He resigned as county judge in 1950 and went to work for the Texas Game and Fish Commission.

He was employed by the Game and Fish Commission for 11 years and was stationed at Canyon from 1952 until 1959. He was made supervisor for the

Rules Change For Livestock Show In '67

Rule changes for the 1967 Junior Livestock Show were discussed at a meeting of the association's leaders Tuesday night at the Junior Livestock Building according to John Brazzil, county agent.

The group evaluated the 1966 show during their meeting and a number of changes were discussed including a date change for the annual show and sale.

It was suggested that a later date would "make it easier to find pigs of the proper age to fit the show and sale schedule" according to Brazzil. No action was completed on the proposal.

A general meeting of the association was set for February 23 when all members of the group will meet for further discussion on the change of date.

Among other action at Tuesday's meeting was the revamping of rules in the horse and steer divisions, and the removal of record books as a catalogue requirement.

"For the 1967 show," said Brazzil, "we will include a unified entry form that will be used for each exhibitor. We will

He resigned in 1962 and returned to Miami where he presently is engaged in stock farming. Pond also has served as mayor of Miami.

Commissioners accepted a bid of \$357.50 on a Remington typewriter for the county clerk's office. The bid was submitted by Remco Company of Amarillo.

Commissioners also accepted bids on fuel to be used during the coming year.

B. R. Jones, commissioner of Precinct 1, accepted a bid from Gulf Oil Company of Amarillo. (See PROBATION, Page 3)

Death Takes J. J. Walker

J. J. Walker died early Sunday morning in Nehalem Memorial Hospital after having been hospitalized three days.

Funeral services were held Monday afternoon in First Methodist Church with Rev. Newton Starnes, pastor, officiating, assisted by Rev. Strauss Atkinson, pastor of First Baptist Church.

Burial was in Dreamland Cemetery under direction of LaGrone Funeral Home.

Fallbearers were L. S. Johnston, Jack Foster, Willard Middleton, J. D. Byrd, Ples Harper, Roscoe Davis, Glenn Dowlen and Lee Foster.

Mr. Walker was born June 10, 1886 at Breckenridge. He was 80 years old at the time of his death.

Mr. Walker was graduated from Pharmacy School in Dallas. He went to work in Memphis, Tex. He was married to Miss Myrtle Lock June 3, 1915 in Memphis. He was a druggist in Memphis for about seven years.

The couple moved to Amarillo and then moved to Canyon in 1923 where Mr. Walker opened J. J. Walker Drug.

He operated the drugstore until he sold it to J. D. Byrd in May of 1959.

Mr. Walker liked to have his friends address him as "J. J." He was active in the Chamber of Commerce for some time and was a city commissioner at one time. He also was a member of Canyon First Methodist Church.

Survivors include the wife; a niece, Mrs. B. J. Donnelly of Fort Worth and a nephew, Ray Walker of Odessa.

Museum Opening Draws Thousands

A crowd estimated at 8,000 attended the opening of an addition to the Panhandle Plains Historical Museum Sunday.

Highlight of the formal opening was an exhibition of paintings--149 in all--by E. Irving Couse, artist from Taos, N.M.

"We've never had half that many people in here at one time in the 26 years I've been here," said Boone McClure, museum director.

McClure said some 2,300 visitors had registered when the museum closed its doors

at 6 p.m.

Present at the art display was K. W. Couse and his wife. Couse is the artist's son.

McClure said throngs of people waited patiently in line to see the paintings on display and to tour the \$600,000 facility.

The \$800,000 exhibit, containing Couse's works that are valued from \$600 to \$35,000, will remain on display through February, McClure said.

Dear Mitch Jones

Democracy does not imply voting on the ten commandments!

FROM THE CANYON RIM

I've heard Canyon folks say they don't think Amarillo has accepted West Texas State University as "their" school.

Amarillo people think the same thing about Canyon. The time has come for both communities to work together toward the betterment of WT.

WT is "our school" and that statement can be made by people of Canyon and Amarillo. It's the only university the Pan-

handle is ever going to have. "If anything ever draws the Panhandle together it has got to be West Texas State University," I heard one Amarillo leader declare only Monday.

There was a good omen Sunday. Both Canyon and Amarillo people met a plane bringing representatives of Utah State here to discuss the possibility of forming a conference with West Texas State and several other schools. The VIPs were given red carpet treatment. The Amarillo and Canyon delegations worked together on the project.

A speaker at a recent Texas Press Association made a statement which I have pondered since.

"Don't worry as much about the cost of education as you do about its quality," the speaker said. I agree with him. Quality in education, as in almost anything else, pays big dividends.

The Texas Observer, an Austin publication somewhat to the left of Ralph Yarborough, is carrying an ad this week hawking Kennedy bumper stickers.

The sticker reads "Draft Kennedy '68." Advertised on the same page are books by Senator J. William Fulbright and Arthur Schlesinger.

FBI Director J. Edgar Hoover says an intensified effort of the Communist Party to establish itself on university campuses may be expected during the coming months.

"There is no place in the academic world," says Hoover, "where unencumbered inquiry is essential, for a riot leader's recently voiced black-jack threat of 'if they do not accede to our demands, we'll close down their great and profitable university.' This is no calm, deliberate search for truth. This is the way of the totalitarian, seeking to en-

slave through force." "The demand of the hour," he went on, "is for educators with courage, dedicated to the supremacy of law, unafraid to support American principles, and determined that the communist conspiracy shall not dictate policies of free institutions."

Big "D" has been insulted again, this time in a book by John Gunther called "Inside South America."

Writing about the bloody and spectacular assassination of Mayor Jorge Eliecer Gaitan, mayor of Bogota, Columbia, in 1948 Gunther says:

"The best supposition is that the murder was not a political plot but merely an incident that reflected the hysterical mood of the community at the time, like the assassination of John F. Kennedy in Dallas."

Gunther tells of uncontrollable rioting and fires that followed the Bogota assassination with loss of life estimated at as many as 3,000.

"The whole city (Bogota) might have been burned out except for a sudden severe providential rain," Gunther writes.

For Gunther to even compare what happened in Dallas with what happened in Bogota does his intelligence no honor.

FFA Week Planned

Plans are underway for the upcoming observance of Future Farmers of America Week which will be observed nationally February 20-24.

Among events planned by the chapters in Canyon are a parent-son banquet on Monday, February 20, at the CHS cafeteria. Numerous awards will be given including two honorary chapter farmer awards.

Activities for the week will also include a "western day", a fellowship for faculty members, project posters in local businesses, and various other activities according to Dick Cummins, president.

Ag Group Places In Fort Worth

Three Canyon High School vocational agriculture students were in competition during the week end at the Fat Stock Show in Fort Worth.

Mark Landrum showed his medium weight Poland for a second place. Landrum's animal placed first at the recent Junior Livestock Show in Canyon.

Also showing were Doug Breitling who showed a Duroc in a class of 80 for no placing and Richard Robinson who took eleventh in middleweight cross-bred division.

Accompanying the group was Rodney Myrick, sponsor.

ROY HUNTER remains in Veterans Hospital in Amarillo this week.

Hunter was taken to the Amarillo hospital Saturday night and is listed in critical condition according to Mrs. Hunter.

UTAH STATE'S Eddie Peterson, left, and Frank Williams are shown here getting off a plane at Amarillo Air Terminal to be given the Red Carpet welcome by the Canyon Chamber of Commerce Red Carpet Committee. Several Amarillo dignitaries and officials of West Texas State University also greeted the visitors who are here to talk about a new conference.

Schools Study Conference

Representatives of New Mexico State, Utah State and West Texas held a nine hour meeting Monday in an effort to establish a new major college athletic conference.

Three committees were formed to work out additional details. Another meeting of the group will be held April 3 in Denver.

One committee will work on a constitution and by-laws. Another group will work on plans for the finance and operation of the league.

The other committee is the charter member committee.

Several possible names for the conference were discussed and will be seriously discussed in the next meeting.

Colorado State, represented by assistant athletic director Thurman McGraw, and Northern Arizona, represented by Dr. Ted Keck, attended Monday's meetings in a listening capacity only.

The four-man charter member committee will visit with several schools which would be attractive members of the conference.

West Texas State vice president Virgil Henson served as chairman through Monday's sessions. Athletic director Frank Kimbrough, head football coach Joe Kerbel and faculty representative Mitchell

Eason Recital Is Set Sunday

A piano recital will be presented Sunday afternoon, February 12, in the Fine Arts Building auditorium at West Texas State University.

Featured in the 3 p.m. recital will be George Eason, assistant professor of music at WTSU.

Anthrax . .

(Continued from Page 1)

Plank places have been vaccinated and the outbreak is under control.

The Plank farm is about 14 miles northwest of Canyon.

A veterinarian contacted early this week said carcasses of animals dead with anthrax should be burned on the spot.

Anthrax is caused by spores which live in the dirt as much as 60 years. Anthrax spores were found in one of the pyramids and is believed to have lived in the Pharaoh's tomb for more than 5,000 years.

ren are being deprived of the use of proper library facilities. They have been cut away from using the facilities at West Texas State University due to the lack of staff members there," Mrs. McCarter said. "Our children are practically without any library facilities during the summer months and are unable to study in libraries at night during the school term."

Visiting with the general body of the library board at the meeting Monday were Rev. Jack Boyett, pastor of Calvary Baptist Church; Gary Gwyn, city manager; County Judge Lloyd King; and Clarence Beckman, county commissioner.

Rev. Boyett discussed with the library board the possibility of purchasing the former church building located in the 600 block of Fourth Avenue. Rev. Boyett described facilities at the building, the upkeep and utilities involved with operation of the building. Rev. Boyett was introduced by Mrs. Murphy White, chairman of the library board's building committee.

Members of the library board requested suggestions from guests, Gwyn, Beckman and Judge King. Among the suggestions received were that "a library district be created and a bond issue proposed". Other suggestions were that money be obtained from a private subscription drive and donations.

It was reported by the building committee that the library's building fund presently has a balance of \$3,000 which has been donated primarily by clubs and interested individuals.

Among other business conducted was the re-election of Mrs. T. B. McCarter as chairman of the library board.

Other officers elected were Mrs. Chester A. Pierle, head librarian; Mrs. Hud Prichard, assistant librarian; Mrs. Johnny Raymond, secretary; Mrs. Burney Slack, treasurer; and Mrs. Michael Morris, reporter.

Other business during the afternoon included approval of the treasurer's report; a secretary's report; a librarian's report; and the introduction of new board members.

New board members include Mrs. Burney Slack, Mrs. D. M. Foster and Mrs. Crannell Toliver from the Sue Hite Club; and Mrs. Michael Morris from the University Study Club; and Mrs. Duane Guy and Mrs. Leonard Miller from the Canyon Study Club.

Present for the end of year report Monday were members of the board including Mesdames T. B. McCarter, Chester A. Pierle, Burney Slack, Michael Morris, Johnny Raymond, S. B. Louder, Duane Guy, Murphy White, Claude Boatman, D. M. Foster and T. V. Crouse.

E. IRVING COUSE ART DISPLAY at the Panhandle Plains Historical Museum Sunday drew some 8,000 people to the newly opened addition. Viewing "Rio Grande" by Couse is his

summer months there, painting various Indians and scenery in the area.

Many of the paintings on display were taken directly from a storage vault where Couse had placed them in 1936.

"Several of them had never previously been framed," McClure stated. "It took me two years to talk Couse's son into giving us the exhibit."

McClure said it would be some six months before all the exhibits in the four-story addition would be ready but that the display area itself is complete.

McClure estimates that the new addition will double the museum's display space.

Contract for the addition was let last February to Pate and Wirtz of Amarillo, who submitted a low bid of \$585,966.

nations made by Canyon folks be given through the headquarters here," said Jarnagin, explaining that contributions channeled through the Amarillo project will be counted and credited to the drive there.

"A majority of donations made locally will remain in the county to aid heart patients and benefit local research projects," said Jarnagin.

Headquarters, manned by the Jaycees, will also forward bids on items of merchandise being auctioned on local television over KFDD, Channel 10, Amarillo.

"No family is immune to heart disease," said Jarnagin. "We must realize that diseases of the heart and blood vessels are responsible for about 989,000 deaths in the United States each year. This figure represents 54.2 percent of all deaths recorded."

"Our basic problem is not focused on one single disease, but rather on a vast complex of diseases and disorders which are often inter-related. There are about 20 forms of heart disease and many more forms of blood vessel disease," stated Jarnagin.

"Through the annual Heart Fund Campaign we raise funds to benefit research in fields which cover all of these closely related diseases and to aid patients who have these medical problems," concluded Jarnagin.

receive about 1/32nd of the proceeds."

"Presently we lease all of the acreage, except where the home is located, to a nearby farmer. This arrangement provides us with about \$10,000 a year to meet our cost of operations which are proposed at \$133,420 per year," stated Cooper.

"Our monthly budget calls for \$11,000 to do the job right," said Cooper. "But we have about \$2,000 coming in each month and this is quite a breach to cover just to meet minor expenses. We could live on \$7,000 a month, if we had it."

"Our total capacity is 72 girls," said Cooper explaining that only 60 live at the home. "We turn away at least one girl per day and sometimes as many as seven. These girls come to us from all over the United States through child welfare, the juvenile courts, school counselors etc."

Since its founding in 1949, Girlstown has made successful adjustments for about 570 girls according to Cooper. Many of these girls have gone on to college, training schools, vocational schools and marriage after leaving the home stated Cooper.

"We send the girls to public school at Whiteface and urge them to participate in any phase of school work and extracurricular activities that they desire," said Cooper explaining that one of the girls, Manda Rush, currently reigns as Miss Girlstown and has been on the honor roll and others are in the National Honor Society.

"Our girls are required to attend church," said Cooper explaining that church facilities at Whiteface include Methodist, Baptist, Church of Christ and Assembly of God. "Our Catholic girls are taken to Morton to attend their church."

"We have a lot of toothaches, sore throats and use a lot of aspirin," laughed Cooper. For medical treatment the girls are taken to Morton and Levelland, where doctors, dentists, and pharmacists give their services at cost or below.

"Girlstown was founded as the original non-denominational non-sectarian home for girls in Texas," stated Cooper. A similar home is now available in Midland.

Girlstown was founded April 13, 1949 by Miss Amelia Anthony, who was a social worker

in the Fort Worth-Dallas area. "Realizing that girls seldom had a 'place to go' she used her own savings and bought an old barracks at Buffalo Gap, near Abilene," said Cooper.

"Then in July 1949 the acreage at Whiteface was donated to Miss Anthony by Tom Dugan and she moved with eleven homeless girls," Cooper stated.

From the original barracks, which was opened in 1949, the school has presently grown to include a separate cafeteria, an office building and a recently added dormitory.

Canyon Jaycees were taken on a tour of the home by a teenage Girlstowner named Lee Edwards, formerly of Dumas, who has been at the home for five years.

After viewing the home, Canyon Jaycees arranged with Cooper to present a "communitywide" program in Canyon February 28. Cooper's program here will include a series of pictorial slides on Girlstown, a brief address, and musical numbers by a quintet from the home.

Local Jaycees will spend the next several weeks contacting various clubs of the city on a number of projects which will "lend aid to Girlstown".

Aside from monetary needs in operation of the home, Cooper stated that the girls need "hose, socks and underwear, curtains and twin bedspreads, all colors of paint for their individual rooms, sewing machines to remake donated clothing, kitchen linens, and other needs for the bathroom, cosmetics, clothing, and anything that a club or individual would desire to give."

Hidden Falls is located on the rim of Palo Duro Canyon near Wayside. The camp has a cabin for boys and a cabin for girls. Hidden Falls is situated on a 200-acre tract of land.

Troth said there are facilities to accommodate 96 campers a week. He said the camp is used the year around for various seasonal retreats.

He said the camp is open for use by any Christian organization.

"We want to thank all the people whose generous support through purchase of certificates and through contributions have helped us so much in this undertaking," Troth declared.

News Briefs

SOME 12 MEMBERS of the Canyon Chamber of Commerce membership committee met last week to discuss the future growth of the organization.

Committee Chairman Benny Cooper said about 50 cards listing prospective members were distributed.

Cooper said members of the committee would make reports on their solicitations later this week.

CALVIN COSTLEY has been promoted to lieutenant of the Canyon Police Department, said Chief L. D. Caldwell.

The former patrolman was previously a Randall County Deputy sheriff.

RANDALL COUNTY FARM Bureau board of directors will meet at 7:30 o'clock this evening in the Farm Bureau Building.

R. B. Gist, Jr., president, will preside.

gramming reports. The grant assistance--three fourths of the actual costs--will come because Canyon is considered a Federally Impacted Area, due to the decreasing employment resulting from the phase-out of Amarillo Air Force Base.

"Something like this could change in a hurry," Gwyn said hopefully, "but as it stands now, we have a long waiting period."

The grant request was first sent to the Department of Health in Austin, then forwarded to HUD's Fort Worth office. If it is given approval by the Fort Worth group, the request will then be transferred to HUD's Washington, D.C. office.

The commission considered a request from Art Roberts regarding the zoning of property on 15th Street and the area of 2nd Avenue.

Roberts presented his plans for the construction of a welding shop in the residentially-zoned area.

"I'd hurt people less by building here than anywhere else," Roberts commented.

His plans call for a 72x50 building on a 90x140 lot, a steel fence and building and racks to store scrap metal.

"There are several places on 2nd Avenue I could buy," he said, "but that would put me next to someone's home."

Mayor Paul Lindsey said the commission could not act on the request until Roberts receives a go-ahead from the City Zoning Board.

Gwyn said he would call a meeting of the board within a week.

Commissioners also reversed an earlier decision not to pay for the cost of moving a fire plug immediately east of the West Texas State University entranceway.

Bob Bellah, vice president of West Texas Ex-students, Inc., asked that the council reconsider their decision, he said WT Exes cannot afford the \$400 cost of moving the fire plug.

"It is important that our money go for student scholarships," Bellah said.

The commission had earlier agreed that the plug could be moved, but that any expenses should be paid by the ex-students.

"This is not," Bellah added, "like moving a plug in front of my house--this is for the beautification of Canyon."

Three council members agreed to move the plug at city expense sometime this spring. John Williams, mayor pro-tem, voted against the measure.

City dads also agreed to erect stop signs at various intersections throughout Canyon and to advertise for bids for street signs.

Gwyn estimated cost for the signs and posts would be about \$1,000.

Some \$43,860 was transferred from the General Fund to the Water and Sewer Fund.

This will pay back a portion of the \$60,000 transferred from the Water and Sewer Capital Improvements Fund to help defray costs of a recently constructed one-half million gallon water tower east of the city.

Gwyn read a letter from Louise Evans, medical education committee chairman of the Amarillo Area Foundation, concerning \$500 the city earlier agreed to pay as a portion of a Medical Education Coordinator's salary.

The council met June 6 with Amarillo Mayor F. V. Wallace, WTSU President James P. Cornette, and Charles Lutz, then Amarillo Chamber of Commerce president, concerning the Foundation project.

City dads agreed to pay the \$500 from this year's budget.

A request from Mrs. Alton Lyons, 2619 2nd Avenue, to keep a horse on her property was denied by the commission.

Gwyn read a letter from Dr. R. E. Wood of Canyon concerning a recent decision by the commission to make Third and Fifth Avenues one-way to traffic.

Dr. Wood said he felt the decision would not solve the traffic problem, but would instead create another.

Commissioners were invited to attend a regional meeting of Area II, Texas Municipal League at 6:30 p.m. today.

The meeting, in Amarillo's Coronado Inn, will be hosted by Pampa.

ONLY FIVE MINUTES is required to give a pint of blood to the Blood Bank here. Dortha Russell, technician, draws a pint of blood from Ronald C. Baugh. The blood bank will be open from 11 a.m. until 2 p.m. Monday, Wednesday and Friday.

to for all his precinct's fuel needs. Gulf No Nox gasoline was bid in at 14.43 cents per gallon. Gulf diesel was purchased at 10.70 cents per gallon.

Gulf Fleet heavy duty motor oil was accepted at 54 cents a gallon in 55-gallon drums. Gulf Lube heavy duty motor oil was purchased at 92 cents per gallon in cases of 24 quarts in quart cans.

Bill Butler of Precinct 4 accepted the same bids as those accepted by Precinct 1.

Clarence Beckman of Precinct 2 decided to buy regular gasoline at 12.57 cents a gallon from Umbarger Farm Supply when his crew is working near Umbarger and from Plains Butane Co. of Canyon at 12.88 cents when working at Canyon.

On the same basis, Beckman's precinct will buy diesel at 10.43 cents per gallon from Umbarger Farm Supply and from Plains Butane at 11.08 cents per gallon.

Beckman accepted a bid by Gulf Oil Corporation of Amarillo on motor oil in 55-gallon drums at 54 cents per gallon.

Glenn Dowlen of Precinct 3 accepted a bid by Gulf of Amarillo for motor oil at 54 cents a gallon in 55 gallon drums. A bid of 12.88 cents per gallon by Plains Butane Co. of Canyon on regular gasoline was accepted. Plains Butane's bid of 11.08 cents per gallon on diesel fuel also was accepted.

Santa Fe Railway submitted a letter to the court agreeable to the closing of First Avenue from 16th Street to 17th to provide space for the building of a county barn for Precincts 3 and 4. The letter has been forwarded to the Canyon City Commission.

The court also received a letter from Pioneer Natural Gas asking that the county participate in the cost of lowering and casing of about 100 feet of two gas lines in Precinct 3. The lines are on county road right of way and Pioneer expressed fear that county road equipment might break the lines, one of which is a 15-inch line and the other 16-inch. The lines carry natural gas.

Dowlen, commissioner of Precinct 3, said he had no interest in lowering the lines and therefore no interest in helping pay for the project.

Commissioners complained that since the city of Canyon is making a charge for dumping at the city dump, people are dumping on the roads.

The Texas Highway Department has notified the county that some interstate type signs will be put up on the E-way in the near future.

Commissioners agreed to permit Vesta Owens to sell marriage licenses at the courthouse annex in South Amarillo. It will be a part time job as she works for the county tax office also.

"I'm for giving service in South Amarillo, which we haven't been doing," declared Commissioner Butler.

Blood . . .

(Continued from Page 1)

he continued. Another is in the form of an insurance that will provide blood for the donor's family for one year.

"Anyone who donates a unit (pint) of blood can use that unit as the cost of an insurance policy that will supply the donor's family with blood in the case of an emergency immediately upon giving blood," White explained. "Otherwise, coverage becomes effective in 90 days."

The insurance plan extends coverage to the husband, wife, and dependent unmarried children under 19 years of age anywhere in the United States, he continued.

The donor may instead choose to sell the blood for \$7 per pint, White said. There is a two-month waiting period required between donations, he added.

White expressed hope that residents of Canyon and the surrounding area would donate blood, and added that he expected a large response from West Texas State University students.

He said individuals or local clubs and fraternal organizations could give blood to the center.

A speaker from the Coffee Memorial organization will be made available to any Canyon group, he added.

The sub-station supply will be distributed to hospitals in Canyon, Amarillo, Memphis, Borger, Pampa, Perryton, Elk City and Groom, White declared.

White said the need for blood was so acute because of more advances made in surgery.

Figures, he said, indicate the patient requiring the "life giving liquid" will, on the average, need nearly four pints of blood.

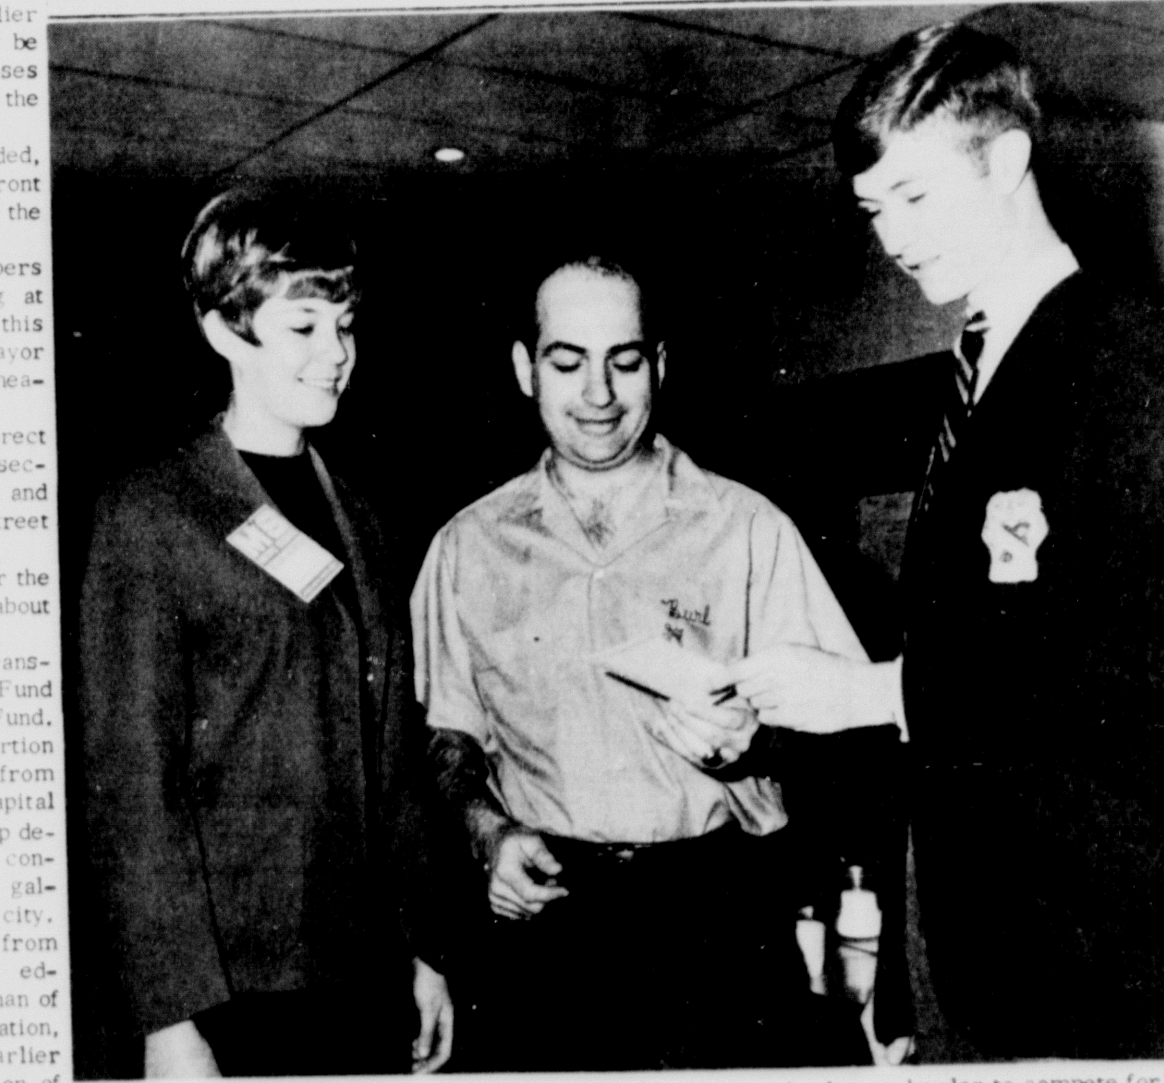

"Everything we do takes little time and it's painless," White said. "And too, it's a good way to participate in a worthy cause, both for the center and the individual as well."

Church Plans Lent Services

St. Paul Lutheran Church will begin weekly services for Lent tonight, Thursday, at 7:30 o'clock.

The schedule of services will be held each week on Thursday evening until Easter with Rev. John Huber in charge.

Regular services on Sunday have been changed to 8:30 a.m. to be followed by Sunday School classes.

JENNIFER EVERETT and Gary Fletcher, right, sell an entry blank to Burwell Southern for the Multiple Sclerosis Society fund drive. Southern is a league bowler and will compete for various prizes offered in the bowling contest which is sponsored by the Amarillo Men's and Women's Bowling Association. The entry fee of \$1

entitles the league bowler to compete for prizes in bowling. The tournament is now in progress. All entrants have a chance to win a color television set at the end of the tournament Feb. 19. Miss Everett belongs to the Chi Omega Sorority and Fletcher belongs to Sigma Nu. Mrs. Fern Bellah is Canyon Chairman.

discontinue the present record book requirement for entry."

Rules changes in the horse department will provide that a review committee be set up to pass on the handling and training of horses both before and during the show according to Brazzil. Purpose of the change will be to "insure safety and try to prevent accidents during the show."

Two performance classes were added for the 1967 Livestock Show in the horse division. Additions for the class will be western pleasure and reining in addition to the regular halter classes that are currently in the rules.

Set Program

Happy Band Boosters Club will present a program Friday night, February 10, at 7:30 p.m. in the school auditorium.

Entertainment will include a comedy "Have You Had Your Operation?" with a cast of women; a play "Womanless Wedding" featuring a cast of men; and a performance by the kitchen band.

Admission will be 75 cents for adults and 50 cents for children. Pre-school children will be admitted free. Refreshments will be served by the Happy Future Homemakers of America chapter at the conclusion of the program.

Dr. Wood said he felt the decision would not solve the traffic problem, but would instead create another.

Commissioners were invited to attend a regional meeting of Area II, Texas Municipal League at 6:30 p.m. today.

The meeting, in Amarillo's Coronado Inn, will be hosted by Pampa.

LIBRARY BOARD officers elected at Monday's annual meeting include Mrs. Chester A. Pierle, librarian, seated left, and Mrs. T. B. McCarter, chairman. Back row, left to right are Mrs. Michael Morris, reporter; Mrs. Johnny Raymond, secretary; and Mrs. Burney Slack, treasurer. Not pictured is Mrs. Hud Prichard, who was re-elected as assistant librarian.

Teachers Have Meet

"Teaching is a Profession" was the topic of Dr. Robert Leigh, professor at West Texas State University, as he spoke at a meeting of the Canyon Classroom Teachers on Tuesday.

Faculty members of Canyon Junior High School were hosts for the general meeting.

Mrs. Clara Long, chairman of the welfare committee, reported on the progress being made by the committee. Next general session will be April 4 at the Gene Howe Elementary School.

Survey Group Meets Today

Texas Historical Survey Committee will meet today, Thursday, for a noon luncheon and business session at the Trail Motor Inn according to Mrs. T.B. McCarter, chairman.

The program will feature a discussion of "markers erected and planned for the county" by Leroy Hutton and a discussion of the point system for the Texas State Historical Committee by Mrs. Raymond Raillard.

Bowling News

Bowler of the week honors went to Virginia and Charlie McCalla. Mrs. McCalla rolled a 642 and her husband had a 614 last week.

Canyon bowlers have taken the lead in doubles competition for the annual Amarillo Bowling Association tournament.

Charlie McCalla and Jack Williams rolled a 1326 total last week.

Four additional Canyon teams will be in competition this week end.

The Canyon Bowl's travel league took a firm grip on first place for the Panhandle Travel Leagues by winning 5 of 6 games at Farwell on Sunday.

The Tri-City travel leagues will bowl in Canyon Sunday beginning at noon. The event is open to the public.

In the Monday Night Businessmen's league, Hal Brown led bowlers with a 243 game and 647 series.

Other good games rolled were Jerry Renner, 222; Larry Pitt, 211 and Stan Bratlen, 206.

In the ladies Twilight league Carol Ratliff rolled a fine 235 game and Mary Lou Evans had a fine 549 series. Margo Williamson was close behind with a 177 game and 500 series.

In the Wednesday night Mixed League, Ross Black had a 204 game and 549 series with Linda Fichter having a 191-490.

The Thursday night Ladies League saw Mary Ann Ladles roll a 202 and 203 to lead the women with a 489 series. Sue Rogers had a 168-463.

Hal Brown led the men with a 268 game and 683 series in the Thursday night men's league. Burl Southern came in with a 216-612.

Other good games were Lynn Crabtree, 222; Burl Jones, 223; Eugene Bonds 224; and Danny Scott, 222.

In the Friday night Mixed league, Ross Black rolled a 506 and Jerry Cooper had a 499. For the women, Mary Cheatham rolled a 480 and Barbara Hale had a 455.

Team No. 7 is leading the Bantam division of the Saturday morning Youth League. The team is composed of Marty Jenkins and Raby Ratliff.

Running a close second are Walter Miller and Larry Crabtree, Team No. 1.

Clifford . . .

(Continued from Page 1)

Amarillo on Dec. 18, 1965. He said that he was tired and lay down upon arriving home in the early morning hours of Dec. 19. The Cliffords' four children were with a babysitter some three miles away.

Clifford said he asked his wife to go get them. "Billy Joe jumped in my station wagon with her (Mrs. Clifford)," Clifford testified.

Clifford said that after Stevens and Mrs. Clifford had failed to return home after a lengthy absence he went to the babysitter's home himself.

He testified that he arrived at the babysitter's home before Shirley and Stevens and was there when they drove up.

The Clifford children were loaded into the station wagon and Shirley and Stevens sped away. He testified that he arrived home just as Stevens and Mrs. Stevens were leaving and had no conversation with Stevens at that time.

Clifford said he discussed the matter with his wife Dec. 20, 1965 and that she told him about having an affair with Stevens and said it had been going on about three months.

Clifford swore that Mrs. Clifford had told him that when she and Stevens drove up to the babysitter's home Stevens had exclaimed, "We're caught."

"The whole thing was pitiful to me," said Clifford. "I loved that woman and I trusted her."

Throughout his testimony Clifford referred to his wife as Shirley babe.

Clifford said his wife also admitted having had an affair with a man other than Stevens.

"She called me all the time, at least once a day," Clifford went on. He said Mrs. Clifford brought the children out to see him and that he employed her as bookkeeper at auction sales which he conducted.

The defendant said he and his wife tried a reconciliation about March 20, 1966 but she moved back to a Canyon apartment about April 1.

He said he next saw her at a divorce hearing in Canyon April 6. Mrs. Stevens filed for a divorce and Clifford filed a cross action naming Stevens and another man and accusing Mrs. Clifford of adultery.

Clifford said he was placed under a restraining order at the time of the hearing and asked that a Randall County deputy sheriff be present when Mrs. Clifford went to the Clifford farm home to pick up her belongings.

"I told her I didn't see why we had to go into this mess," said Clifford. "I asked her if she was happy and she said, 'I'm the happiest I've been in my life.'"

Clifford said he visited a friend, William Carter of Vega, that night and that Carter told him that Mrs. Clifford had admitted in his presence affairs with Stevens and another man.

Clifford said he drove about 80 miles to Nazareth and visited his wife's parents, Mr. and Mrs. A. L. Sharp. He returned home and went to bed but didn't sleep well.

Early next morning he answered the telephone and it was his wife, he said.

"Well, what do you think about it," he quoted her as having asked. He said he asked her what she was talking about.

"The divorce," she said. "Why do you call me when I can't call you?" Clifford testified to having said. He said he again tried to patch things up.

He said she taunted him and declared that he could never get testimony on adultery into court records.

"No Buddy Boy, I've got you where I want you," he said Mrs. Clifford went on.

He said his wife taunted him further, mentioned child support payments and even used abusive language on the telephone.

"The next thing I knew a man with shaving cream on his face was chasing me," he went on. This was Bruce Kimery who lived next door to Shirley at the apartment house.

"Oh my God, I've hurt my Shirley Babe!" he said he thought as he looked down at a gun in his hand.

"I got into my car, I had that gun in my hand and I knew I'd hurt my wife," Clifford said. "I went to Hereford. All I could think of was getting the man who had wrecked my life."

He said he had a blow out on one of the tires on his car but that did not stop him. He said he drove on to the Hereford feed lot where Stevens was employed.

District Attorney Bill Hunter asked if what his wife had said on the telephone had set him off.

"That's right," the witness

Canyon Varsity Tripped 58-56

Canyon's varsity boys lost to Hereford by a narrow 58-56 count Tuesday night in CHS Gymnasium, but the Eagle 'B' team rolled to an impressive 76-55 triumph.

A furious last-ditch rally by the Eagles barely missed as the Hereford Whitefaces sent the Eagles to their fourth straight loss.

Cold shooting in the first half had the Eagles behind 31-21 at intermission. Canyon trailed only 13-11 after the first period, although shooting answered.

On cross examination the defendant testified: "I shot Billy Joe Stevens. I don't remember how many times."

Hunter asked if Clifford had intended to shoot Stevens and kill him when he drove over. "Yes, that's right," the defendant answered.

"I'm sorry I killed anyone. At the time I probably wanted him dead."

Asked if he ever mistreated his wife, Clifford answered: "I lived with that woman 12 years and I never touched her but one time and then I slapped her."

Clifford's 11-year-old son, Buckshot, testified that he saw his father beat his mother's head against the floor.

"Dad had my mother in the floor beating her head against the floor and talking about my mother going out with Mister Stevens," the child declared. "She was hollering and crying."

Recalled to the stand Clifford said, "I slapped her. This kid is talking about that."

The defense introduced several records of telephone calls into evidence.

Ben Garcia, who was a farmhand on the Clifford farm here, testified that Stevens came to the Clifford home many times while Clifford was away.

"Maybe twice a week," said Garcia. He said Stevens wouldn't even knock at the Clifford door.

"He'd go right in," the witness testified.

Clifford said he and Shirley were married in October of 1953 and had not had any trouble until Stevens came along.

Clifford said he met Stevens through mutual interest in rodeos and auctioneering. He said he first met Stevens and later the two couples ran around together.

Clifford was a farmer and cattleman.

Testimony of Mrs. William Carter was read from the records of the Denton trial as Mrs. Carter was unable to be at the Hereford hearing. In this testimony Mrs. Carter said that Mrs. Clifford had admitted infidelity to her.

Earlier Stevens had denied having made phone calls specifically to Shirley. He said that the night he and Mrs. Clifford went after the Clifford children at the babysitter's home they were gone only about 15 minutes.

A telephone company representative testified that there is no record of calls having been made from Shirley's apartment to Hereford. He testified that there were no calls between Shirley's apartment and the Hereford feedlot.

William F. Miller Dies, Rites Held

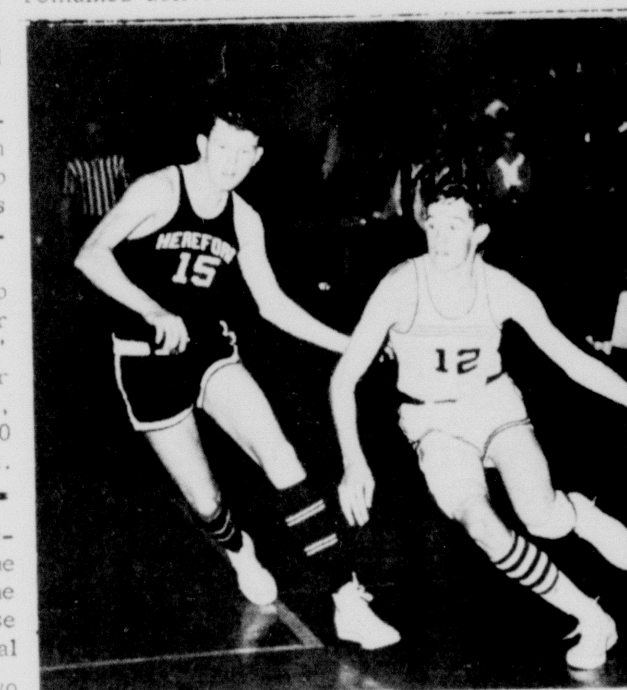

Funeral services for William Frederick Miller, 87, were conducted Saturday at the First Presbyterian Church of Happy.

Services were conducted by Rev. Homer C. Akers, pastor of the First Presbyterian Church of Portales, New Mexico. Interment was at the Happy Cemetery under the direction of LaGrone Funeral Home of Canyon.

Born October 22, 1879 in Lawndale, Nebraska, Mr. Miller's early business career was as a bank clerk at Wakefield, Nebraska. He married Clara L. Thum of Coleridge, Nebraska in 1903. She predeceased her husband in death during October 1937. The family moved to Happy in 1909, where Mr. Miller was engaged in insurance and real estate.

Mr. Miller served as postmaster in Happy during 1912-24 and also served as mayor of Happy for 17 years. He was an elder in the First Presbyterian Church and served as church treasurer for 27 years. He was a collector for Pioneer Gas Company and Southwest Public Service Company for about 30 years.

In 1948, Mr. Miller and Mrs. Gaynell Williams were married at Roswell, New Mexico. He remained active in civic life at

Eckhardt Fete Set Sunday

Mrs. Edith Eckhardt will be honored at a reception Saturday evening at 7 o'clock at the home of Dr. and Mrs. Ples Harper, 2523 Fifth Avenue.

Hosting the open house will be Dr. and Mrs. Harper, Mr. and Mrs. William A. Moore, Mr. and Mrs. Raymond Raillard and Mrs. Bonnie Whittington.

Mrs. Eckhardt has recently moved to Austin.

"The Texas Panhandle Heritage Foundation is losing the services of Mrs. Edith Eckhardt--except for special projects," said Mrs. Harper, president of the foundation.

Mrs. Harper said Mrs. Eckhardt has played a large part in the development of the Pioneer Amphitheatre project which presents the play "TEXAS."

Banquet Set For Baptists

Annual Sweetheart Banquet for the First Baptist Church will be held Monday evening at 7 o'clock in Fellowship Hall.

Guest speaker will be Rev. Norris Onstead, pastor of the Trinity Baptist Church in Amarillo.

News Briefs Death Takes Brother Of Johnston

TWO CANYON HIGH SCHOOL junior students will compete in "Government in Action Tour" speech contests at Tulia Feb. 21.

Selected Tuesday from a field of eight CHS juniors was Mary Mitchell, daughter of Mrs. Louise Mitchell, and Dave Burch, son of Mr. and Mrs. Tolbert Burch.

Alternates chosen were Jean Halter and David Graham.

Sheriff and Mrs. L. S. Johnston attended funeral services for his brother Wednesday in Sweetwater.

C. B. Johnston, 75, died Monday at his home in Eskota. He was a retired rancher and had been Postmaster at Eskota since the end of World War II. No other information was available at press time.

GIRLSTOWN COLLECTION from Westside Home Demonstration Club includes numerous quilts, dolls, hair spray, jewelry, clothes, kitchen items and toothpaste. The collection was taken to Girlstown Sunday by representatives of the Canyon Jaycees. Shown with the collection are, left to right, Mrs. M. T. Mad-dux, Mrs. W. A. Brannum, and Mrs. Ed Bourn.

Jaycee-Ettes Join Girlstown Drive

Canyon Jaycee-Ettes voted Monday night to join the Jaycee campaign lending aid to Girlstown.

The Jaycee-Ettes will place collection boxes in a number of local stores next week. The collection boxes will remain on display until the community program, February 28.

In addition to boxes in stores, the Jaycee-Ettes will provide collection boxes at the door on the night of the program in Rex Reeves Elementary School.

Named as Jaycee-Ettes in charge of the drive were Mrs. Carl Miller, Mrs. Robert West, and Mrs. Wayne Edmondson.

In her report Monday night, Mrs. Miller stated that the girl's home is "in need of everything from canned goods, to girls socks, hose and under-

wear, to bed clothing for twin size beds."

It is suggested that articles given be either slightly used or new because the "girls at the home have feelings too on what they can wear to school," according to Mrs. Miller.

In other business, the Canyon Jaycee-Ettes were directed by Mrs. Guy Hamblen, president, as a note of appreciation for bibs was read from LaCasa Convalescent Home.

Mrs. Jim Scott and Mrs. Jackie Whitley were appointed as refreshment chairmen for the "heart telethon" to be held Saturday night and Sunday.

Appointed as the club's nominating committee were Mrs. Weyman Brown, Mrs. Jim Scott and Mrs. Meade Michael. Elections will be conducted at the March 6 meeting. Installation will be conducted later in March.

Plans for the upcoming Jaycee banquet were discussed and Mrs. Charles Marshall, Mrs. Allen Parson and Mrs. Jim Wicraft were appointed as the decoration committee.

Mrs. Charles Marshall was appointed to collect receipts from Taylor and Sons, a club project. A scrapbook meeting was set for Thursday night at the home of Mrs. Robert West.

Birthday gifts were won by Mrs. Jackie Whitley and Mrs. Jim Scott.

Ceremonies Unite Gerber-Wieck

Marriage vows for Miss Carolyn Gerber and James Donald Wieck were solemnized last Friday in ceremonies at St. Mary's Catholic Church of Umbarger.

The bride is the daughter of Mr. and Mrs. William P. Gerber of Umbarger and parents of the bridegroom are Mr. and Mrs. Edward Wieck, also of Umbarger.

Double ring vows were read by Rev. Monsignor W. F. Bosen. Traditional wedding selections were presented by the senior choir of St. Mary's Church with Mrs. Vincent Raemakers serving as organist. Statuettes were presented to the couple.

Decorations at the church included floral sprays at the altar.

Given in marriage by her father, the bride wore a formal wedding gown featuring white

satin with an A-line skirt and empire waistline. The bridal train was attached at the shoulder. Lace accents trimmed the hemline and other points on the dress. The bride's tiered veil cascaded from a petal-effect headdress to shoulder length. She carried a cascade bouquet to complete her ensemble.

Miss Mary Brorman of Hereford served as maid of honor. Bridesmaids were Catherine Westhoff and Dorothy Wieck, cousins of the bridegroom, Carol Gerber, cousin of the bride.

Miss Linda Gerber, sister of the bride, served as junior bridesmaid. John Barry Friel, nephew of the bride, and Marianne Wieck, sister of the bridegroom, served as ring bearer and flower girl for the occasion.

Bridal attendants were gowned in floorlength dresses of light gold satin with empire velvet bodices in a darker shade of gold. Sleeveless capes of gold satin accented the dresses which featured A-line designs.

Marvin Batenhorst served as best man. Groomsmen were Arnold Wieck, Glenn Gerber and David Reinart. Ushers for the occasion were Richard Reinart, Tommy Sanford and Greg Stork.

The couple was honored with a reception and dance at St. Mary's Parish Hall and then departed on a wedding trip to points in South Texas. The couple will make their home west of Umbarger, where the bridegroom is engaged in farming.

Both the bride and bridegroom are graduates of Canyon High School. The bride is presently employed with Consumers Fuel Association, Inc. in Canyon.

MRS. JAMES DONALD WIECK

HD Agent Says

Accessories "Complete" Rooms

"Accessories add the finishing touch to your home. They make your home your very own," said Mrs. D. C. Gamble, home demonstration agent, at a recent meeting of Westside Home Demonstration Club.

Mrs. Gamble will spend the month of February meeting with county home demonstration clubs. Her program at these meetings will be "Accent Through Accessories".

In her program last Wednesday, Mrs. Gamble explained that "accessories do for the room what proper seasonings do for food." When accessories are well chosen, they add flavor, color and bring out the best in a home.

Accessories add beauty, utility and friendliness to your rooms," stated Mrs. Gamble.

In selecting accessories, Mrs. Gamble urged consideration of the following points: theme of the room, period of furniture, basic idea on which room is built, and what furniture groups are needed to complete activities.

She said to "choose accessories that serve a purpose with your groups of furniture. Select those that carry out the theme or basic idea of your room."

"Some objects are useful or beautiful, but many serve both purposes," stated Mrs. Gamble. "Accessories which personalize the room should express individual interests such as family hobbies and collections."

"Hobbies and collections have a place in accessorizing

the home," said Mrs. Gamble.

Consider the following when combining accessories urged Mrs. Gamble. "Use comfort and convenience, use scale and proportion, use color and texture, use accessories that are harmonious in color, keep heavy and light accessories in separate groupings and vary the shapes of objects to be used together."

"Plants, vines and flowers also have their purpose as accessories in the home," said Mrs. Gamble.

"Treat plants as you would any other accessory," Mrs. Gamble said. "Select and place them where they will be real ornaments."

It was suggested that balance of wall hangings may be experimented with by laying the pictures, sconces, etc. on a similar sized section of the floor. This way, the accessories may be tried in a number of settings to get the proper effect before hanging on the wall.

"Tradition says to hang pictures at eye level," Mrs. Gamble said. "But a new rule nowdays is to hang the pictures in proportion to the furniture being used."

"Formal balance is always good. But try informal balance with your accessories for a change of pace once in awhile."

In conclusion Mrs. Gamble said "let your accessories work for you, let them carry out your

room theme, let them complete furniture groupings, let them add interest in color, texture, line and pattern."

Marriage Vows Read

Mr. and Mrs. Ralph W. Gordon, Jr. of Stow, Ohio announce the marriage of their daughter, Gale Ann, to Lt. James Franklin Owens on Wednesday, January 18, 1967.

Ceremonies were performed at the Naval Hospital Chapel in Pensacola by Chaplain Tillberg. The bride's honor attendant was Mrs. Connie Clancy and serving the bridegroom was Hank Meenen.

The bridegroom is the son of Mr. and Mrs. Leonard H. Owens of Canyon. He is a graduate of West Texas State University and is a naval flight officer. He formerly served as an instructor at the Basic Naval Aviation Officers School in Pensacola, Florida.

Lt. Owens has been assigned to Naval Headquarters in Saigon, Viet Nam. He was due to report to the Naval Air Base in San Diego, California last Wednesday.

The bride is a graduate of Kent State University and Michigan State University. She is presently serving with the Navy at the research unit of the Naval Aerospace Medical Institute in Pensacola.

Valentine Event Set Saturday

The sixth annual "Valentine Ball" for Beta Sigma Phi sorority chapters of Canyon will be held Saturday evening, February 11.

Highlight of the event will be the coronation ceremony for queens and princesses of both the Chi Upsilon, ritual of jewels, and Xi Kappa Zeta, exemplar degree, chapters.

The crowning ceremony will be held at 7:30 p.m. in the First National Room of the new bank building. Dr. Charles Nester will crown the honorees.

Honored at the event last year were Mrs. Tom Depperschmidt, queen, and Mrs. David Pulley, princess, for Xi Kappa Zeta. Chi Upsilon chapter honorees last year were Mrs. Jimmy Golden, queen; and Mrs. Phil Magnus and Mrs. Speck Benham, princesses.

Following the program in Canyon, the group will adjourn to the Diamond Horseshoe in south Amarillo for a dinner and the traditional Valentine Ball.

HOMEMAKER OF THE WEEK Mrs. Alvin Kuhlman and son, Martin, pause during an afternoon visit to sample an Apple Coffee Cake which

Mrs. Kuhlman shares with our readers this week. She also gives recipes for Black Cherry Salad and Easy Barbecued Chicken.

Homemaker Shares Easy Family Favorites

BY LORENA MILLER

Mrs. Alvin Kuhlman, east of Canyon, shares an easy trio of recipes which can be served together as a complete meal.

Her recipes include Easy Barbecued Chicken, Black Cherry Salad, and an Apple Coffee Cake.

German born, Mrs. Kuhlman first came to the United States in 1953 following their marriage.

The couple, Liselott and Alvin, met while he was visiting with his grandparents and other relatives in Germany. Mrs. Kuhlman's mother,

Mrs. Liselott Schulze, still lives in Bremen, Germany. The Kuhlman family spent three months last summer visiting with the grandmother and seeing the sights in Holland, Belgium, and France.

"It was really a trip to remember for the children," said Mrs. Kuhlman relating that the part of Germany where she was raised is similar to West Texas with the exception of more trees.

"It is flat and windy there too," said Mrs. Kuhlman who has several oil paintings depicting

the countryside in her homeland.

Mrs. Kuhlman, who began high school at the age of ten, related the differences between the American and German school systems.

"In Germany," she said "you take special exams to be admitted to high school and they also have a large number of vocational schools there. For instance, a bricklayer may have studied his craft for three years before working for the public."

Travel is a hobby for the entire Kuhlman family and the father likes to spend his vacation hours taking pictures of the sights and of his family. The family often spends time together on winter snow-skiing trips nearby.

From her travels, Mrs. Kuhlman has collected numerous small items representative of each country and several oil paintings by European artists. "We especially like to do things with our children," related Mrs. Kuhlman stating that she is a leader for Girl Scout Troop 15, of which her daughter, Monika, is a member.

Monika, 12, is the eldest of the couple's children. She is a seventh grade student at Canyon Junior High School. Daughter, Bernice, 11, is a fifth grade student at Rex Reeves Elementary School and son, Martin, 5, is anxiously awaiting the fall term when he will begin school.

The Kuhlman family are members of St. Paul Lutheran Church in Canyon, where he serves as treasurer for the church. He is also a member of the local Farm Bureau and spends a major portion of his time between farming operations and a television repair business, which he operates out of his garage.

"We're always busy with both jobs," said Mrs. Kuhlman relating that she is the telephone

answering service for her husband's television business.

Among her activities outside the home, Mrs. Kuhlman is a member of Palo Duro Rusk Home Demonstration Club and is this year serving as social and program chairman for Chi Upsilon chapter of Beta Sigma Phi sorority.

"I didn't know how to cook when we married," stated Mrs. Kuhlman explaining that a majority of girls in Germany take lessons at a "cooking school" where they go into a home and are taught the art of cooking, housekeeping, and other facets of homelife by the lady of the house.

Mrs. Kuhlman did not go to a cooking school, however, as she was working during this period for the church.

"But when my mother and I were enroute to Paris for the wedding she told me how to cook," laughed Mrs. Kuhlman. "Mother said to cook a steak about five minutes on one side, turn it over and cook for five minutes on the other side."

"This was really my first experience with cooking since we were seldom allowed to try our hand at cooking at home because of the tremendous expense involved when we made a batch of the meal," said Mrs. Kuhlman.

Since learning to cook, Mrs. Kuhlman said that her favorites are dishes that are easy, quick and American.

"Not boxed mixes though," stated Mrs. Kuhlman as she gave the following recipes which can be prepared while visiting with guests.

EASY BARBECUED CHICKEN

Lightly salt the inside of a whole fryer. Place on foil and baste with favorite barbecue sauce. Wrap foil tightly around

chicken and place in pan. Bake for one hour at 350 degrees until done. Open foil and allow to brown lightly.

While cooking chicken you may also be baking several whole potatoes to complete the meal according to Mrs. Kuhlman.

BLACK CHERRY SALAD

1 pkg. black cherry jello
1 cup crushed pineapple
1/2 cup nuts
1 can Bing cherries, black pitted
Measure juice from cherries and pineapple. Dissolve jello in one cup of hot boiling water. Add enough water to juice to make about a cup, use as the cold liquid. Stir in pineapple, nuts and pitted cherries. Set in refrigerator to chill until firm.

APPLE COFFEE CAKE

1/3 cup milk
2 eggs
1/3 cup sugar
1/2 tsp. salt
4 cups flour
6 Tbsp. shortening or butter
2 pkg. dry yeast
4 apples
1 1/2 cups sugar
2 tsp. cinnamon
1 cup chopped pecans
butter

Dissolve yeast in 1/2 cup warm water.

Heat milk and add eggs, 1/3 cup sugar, salt, and shortening. Blend in yeast mixture and add to 4 cups of flour. Spread in two oblong (13 x 9 x 2) pans.

Top dough with peeled and sliced apples in a thin layer. Sprinkle with 1 1/2 cups sugar and cinnamon.

Top with chopped pecans and dot with butter.

Bake at 350 degrees for about 35 minutes. Serve in squares topped with whipped cream.

Miss Wheelock Is Sweetheart

Mary Ann Wheelock was presented as sweetheart of Phi Mu Alpha, national music fraternity, at a special pinning ceremony on Wednesday of last week.

Miss Wheelock, daughter of Mr. and Mrs. R. D. Wheelock of Canyon, was presented with a bouquet of red roses and the fraternity pin.

A graduate of Canyon High School, Miss Wheelock is a junior music major at West Texas State University. Earlier this year she was named to Who's Who in American Colleges and Universities and was initiated into Alpha Chi, national honor society.

Miss Wheelock was also one of five finalists in the most beautiful contest. She has served as treasurer of Mu Phi Epsilon, national music sorority, and was recently named vice president of Chi Omega, national social sorority. She is presently serving on the Baptist Student Union executive council.

Last year, Miss Wheelock was elected beautification queen of the campus, was selected as

pledge sweetheart of Sigma Nu, national fraternity, and was a runner-up in the Miss Lake Meredith Contest.

MARY ANN WHEELOCK

DKG Group To Discuss Scholarship

Zeta Delta chapter of Delta Kappa Gamma will meet Saturday, February 11, for a discussion on scholarships by Mabel T. Rodgers.

The group's scholarship program is designed to promote education of women teachers in the United States and abroad through graduate study programs, World Fellowship grants and exchanges. Two travel-study grants were made through World Study Grants in 1964-66 and three research grants were made by the Educational Foundation. Some 26 scholarships were granted to women from Texas in 1965-66, including four for work on doctoral degrees.

The meeting Saturday will begin with a 9 a.m. coffee in the home of Mrs. Joe H. Weddington, 3402 Concord, Amarillo. A number of women from Canyon are members of the group. A business session will conclude the coffee hour.

Military Wives Have Event

A game night for the Military Wives of Canyon was held Monday night at the recreation room of the SuRocca Apartments.

Sunnyhill HD Has Program

Sunnyhill Home Demonstration Club met last Thursday in the D. L. Allison home at Happy for a program entitled "Accent Through Accessories" by Mrs. D. C. Gamble, home demonstration agent.

Mrs. Willa Elliott, president, officiated at the business meeting as 12 members answered roll call with "A room accessory that I have made".

A council report was given by Mrs. Mary Jane Miller, council delegate, and members selected Mrs. Mattie Ruth Robinson as delegate for the District Convention in Claude.

The club named Mrs. Leona Henry as representative for the "clubwoman of the year" award to be made in May.

Refreshments were served to Mesdames Kate Gamble, Judy Shipman, Mary Jane Miller, Mary Neal Henry, Jo Hand, Dorothy Davis, Mattie Ruth Robinson, Geneva McNeill, Bessie McGehee, Jo Ellen Harvey, Willa Elliott and Leona Henry.

HONORS at the spring banquet for the Future Homemakers of America Saturday night went to left to right, Linda Taylor, Miss FHA; Donna Crisp, Miss Personality; Sherman Smith, Prince Charming; Linda Hand, Charm Queen; and Rachel Glover, Posture Queen.

World Prayer Day Program Is Friday

World Day of Prayer for 1967 will be held Friday at the First Presbyterian Church of Canyon.

Activities will begin at 9:30 a.m. in Fellowship Hall with a social hour and short business meeting.

The prayer service will begin at 10:30 a.m. in the church sanctuary with seven different local denominations taking part in the program.

Main speaker for the occasion will be Rev. Charles Meredith, pastor of the First Christian Church. He will lead a meditation on the theme "Of His Kingdom, there shall be no end" from Luke 1:33.

Special music will be furnished by two sixth grade choirs from Rex Reeves Elementary School, under the direction of Mrs. Donna Wilson.

Other people taking part on the program, which has been arranged by Mrs. Hosea Foster, are Mrs. William A. Moore, Mrs. Velton Sogge, Mrs. Jesse James, Mrs. Hollice Snyder, Mrs. Frederick Rathjen, Mrs. Leroy Moreland, and Mrs. Bob McCasland.

A nursery for small children will be provided during the service.

All women of Canyon are invited to attend the service and join in the work of the United Churchwomen.

REV. CHARLES MEREDITH

Daughter's Birth Told

Mr. and Mrs. Jess R. Davis are parents of an infant daughter, Kaitlyn Marie.

Born at Neblett Memorial Hospital, the baby weighed 5 pounds 14 ounces on arrival January 27.

Film Slated For Sunday

"The Parable", a film on the modern day representation of the life of Christ, will be shown for the public Sunday, February 12, at the First Christian Church of Canyon.

The film was produced for a recent World's Fair showing in New York and is a symbolic portrayal of Christ's life according to Rev. Charles Meredith.

Primarily designed for college age youths and adults, the film will be shown at 7 p.m. and participation is expected from the denominations of Baptist, Episcopalian, Methodist, Lutheran, Christian and Presbyterian.

The public is invited.

Hospital Ups Room Rates

Patients entering Neblett Memorial Hospital will now be paying \$2 more for their room than in the past.

Russell Altmiller, hospital administrator, said the increase in room rent was due to a recently adopted Wage and Hour Law that affects hospital personnel.

The wage scale change, he stated, will up room rent to \$25 for private and \$22 for semi-private quarters.

Altmiller said he felt the \$2 per room hike would be the only increase necessary to compensate for the increase in salaries.

Gun Safety Program Open To All Youths

Some 25 Canyon boys and girls registered last Thursday night to participate in a six-week course on "gun safety".

Preliminaries for the 13-lesson course were held in the all-purpose room of Rex Reeves Elementary School and included a trial target shoot for youths in attendance.

The course is open to both boys and girls, 7-14.

Additional enrollments for the course will be taken at the first lesson which will be held February 16. Time and place for the lesson will be announced shortly according to Jim Scott, chairman.

"The shooting education program will teach youths the basic rules of good gun handling," said Wayne Edmondson, president of the Canyon Jaycees, who are in charge of the program.

Merle Strickland, deputy from the Randall County Sheriff's Office, spoke briefly to the group of parents and youths. He said that "BB guns do more damage in loss of property and eyesight than many expensive guns."

"Treat all firearms with respect," urged Strickland. "Never play around with guns as many injuries are permanent."

"Target shooting is a game of sport and precision," said Strickland. "The quick-draw on television is not a part of our modern day of shooting."

"There are two phases of modern shooting," Strickland said, "and they are target and hunting."

"The right to bear arms is part of our heritage," concluded Strickland.

Jaycees Robert West and J. W. Sims discussed and explained the basic rules of good gun handling which include the following points:

- Treat every gun as if it is loaded.
- Always point the muzzle in a safe direction.
- Never carry a loaded or cocked gun into your car or home.
- Never climb a tree, jump a ditch or climb a fence with a loaded gun.
- Never shoot a flat hard surface because of ricochet. Water can even make a shell ricochet.
- Be sure of your backstop in target shooting, use an absorbent background to stop the bullet.
- Be sure of your target, never shoot at a sound or movement.
- Be sure the gun barrel is free of obstructions, have both the chamber and muzzle clean.
- Be sure of the ammunition you are using.
- Respect other people's property, have permission from the landowner before hunting.

The program was concluded with Jaycees assisting youths in aiming and firing at a 15 foot target. The youths were presented with their "hits" to take home.

Canyon Girls In Win Over Muleshoe 35-33

BY JON LOW
Canyon High's varsity girls kept alive a strong bid for the district championship and the 'B' boys team extended its fine record in Muleshoe Friday night, but the varsity Eagles stumbled to lose their third straight game.

The Eagle girls escaped with

a 35-33 win, although they were outscored 15-7 in the final period.

A sharp second quarter saw the girls outscore Muleshoe 10-3 to take a 22-13 halftime lead, which turned out to be too much for the frenzied fourth-quarter Muleshoe rally to overcome.

The downfall of the Eagle boys was in erratic shooting, as Muleshoe rolled to a 56-46 win. The Eagles netted only 17% and 20% of their floor shots in the first two periods, respectively.

After falling behind 24-15 at the half, Canyon climbed back to within 38-36 at the three-quarter mark, by canning 56% of its shots from the floor to outscore the Mules 21-14 in the third period.

The Mules reversed the trend 18-10 in the final stanza to claim the 56-46 triumph, with Canyon slumping to a 25% of field goal attempts. The Eagles hit 31.7% for the game.

The 'B' boys were impressive in taking a 46-25 breeze from Muleshoe.

"If we had been pushed, I think we would have played much better. It's hard to play well against a team that is much weaker," apologized Coach Wayne Turley, who teams with Coach Allen Wadsworth in guiding the team. As it was, Canyon won by 21 points.

If the girls trip Tulsa there this week, they will vault into a tie for the district championship. They have already clinched at least second place, for their best finish in years. It has been a fine first year for Coach Bob Schneider and his hustling girls.

Pam Sternberg paced the girls' scoring with 13 points, and was backed up by Susan Swartzell with nine.

Ricky Widick's 15 markers were tops for Canyon in the varsity boys' game, while Joe Moore tossed in 11. Richard Gardner led the rebounders with four.

Lon Conner picked up 13 in the 'B' tilt, with Bill Swain adding eight and Bob Gruner scoring seven.

JHS Sweep Two Games

Canyon Junior High swept a double-header from Happy in Eighth and Ninth Grade girls action.

Canyon took a narrow 23-18 decision in the Eighth Grade tilt, while the Ninth Grade rolled up a 53-42 win.

The key figure in the Eighth Grade win was guard Martha Sykes, who turned in five steals and nine rebounds. Leta Gill led in scoring with 13 points.

The Ninth Grade started slowly, then pulled away as high-scoring forwards Jan Sternberg, Sue Lindsey, and Cheryl Davis began to find their range.

Sternberg and Lindsey scored 18 and 16 points, respectively. Davis, who also doubled as a guard, put in 13 markers, claimed five rebounds, and pulled off a steal.

Scored splits by quarters for the Eighth Grade were 5-5, 7-0, 5-3, and 6-10, while the Ninth Grade posted quarter splits of 12-10, 15-10, 14-6 and 12-16.

SOARING UP for a lay-up in the Buffs' 102-91 loss to Hardin-Simmons is Mickey Fitts of Canyon. Unable to do anything about it are Dick Nagy (31) and Leroy Watson (33) of the Cowboys. Fitts scored 12 points for WT before fouling out midway through the second half.

Bufs Falter, Losers Again

The West Texas State Buffs started strongly, but faltered in the second half and the Hardin-Simmons Cowboys rolled by them to post a 102-91 decision Monday night in Buffalo Fieldhouse.

The Buffs ran up a 50-44 halftime edge, after the early going saw the lead swap hands eight times.

In the second half, however, West Texas fell victim to a tenacious full-court defense that rattled them into costly errors. The Buffs gave the ball away 28 times on turnovers during the game, and lost four key players via the foul route, but never allowed the Cowboys to clinch the game until the closing minutes.

David Nowlin, the high-springing Buff center, put on an awesome rebounding display and provided thrills with his tip-ins in the first half, but foul problems caused him to be used sparingly in the second half before he fouled out. Nowlin grabbed eight rebounds and led WT in scoring with 20 points.

Mickey Fitts fouled out with 11:00 to go in the tilt, and was followed by Derrith Welch at 5:08, Nowlin at 3:52, and Val Franklin at 0:39.

West Texas held a 10-point, 55-45 lead with 18:05 to play, only to see it shrink to nothing in less than three minutes. H-SU's Max Brownlee tied the count at 58-58 with 15:15 left, and John Rogers gave the visitors a lead of 59-58 on a foul shot.

Frosh Trip Tech 76-69

The West Texas State Freshmen sprinted from behind in the second half to down the Texas Tech Freshmen 76-69 in Buffalo Fieldhouse Monday night.

Leading the way for the Stompers were David Cole with 23 points and Ricky Bacon with 21 points and 10 rebounds.

High scorer for the Picadors was a former all-stater from Channing who is well known in Canyon for his play against CHS and in regional tournaments here, Randy Sherrod. Sherrod pumped in 20 tallies.

The Picadors owned the first half 41-39.

The Stompers outshot their foe from the field 44% to 39%, but were out on foul shots 74% to 71%, and were out-rebounded 35 to 31.

Tourney Set At City Club

A medal play tournament will be held Sunday, February 12, at Canyon City Club.

The nine-hole tourney is open to members only. Flights will be judged according to handicaps with a limit of 16 men to a flight. Flights will also be arranged for women golfers.

Prizes will be awarded according to gross and net scores. Entry fee will be \$2 per person with tee time at 2 p.m. Porter Vaughan is serving as tournament director.

Conference Cage Play Nears Close

It is the final week of the season for Canyon High School basketballers.

Dumas visits CHS Gymnasium Friday for 'A' and 'B' boys games. The Demon varsity is the district doormat, but has shown too much strength to be taken lightly.

The season concludes Tuesday night at Tulsa, in a triple-header that will feature the A-boys, A-girls, and B-boys.

Mental Health For USC Friday

"A Personal Look at Mental Health" will be the topic for Friday's meeting of the University Study Club at 1 p.m. at the Girl Scout Building.

Mrs. T. Z. Walker of the Amarillo Mental Health Association will speak to the club following an introduction by Mrs. Avenit Lair, Co-hostesses for the session will be Mrs. Billy G. Reid, Mrs. Emil Olson and Mrs. C. E. Thompson.

Pack Session For 130 Cubs

Cub Scout Pack 130 held a Pack meeting January 26 at Southwestern Public Service Building on Bell Avenue in south Amarillo with Glen Whiteside, cubmaster, presiding.

Awards given during the evening included wolf badges to Hal Leach, Barry Chambliss, Cliff Carroll and David Coronado.

Other awards during the event were dinner to Richard Fowler and Rocky Goodwin, assistant dinner to Kevin Daves and Jeff Podzemny, David Clark, gold arrow under bear and Marty Wallis, silver arrow under bear.

Den 1 was presented with the "Cubby" award for having the highest percentage of parents present for the meeting. Mrs. Jean Wallis is den mother.

Blue and gold banquet for the group is slated for February 23 and a field trip is planned February 11 when the boys will go to Palo Duro Canyon.

Girl Scouts Have Meeting

Girl Scout Troop 1 met recently in the Girl Scout House with an opening exercise led by Armetha Lindley, Debby Wright, Karen Pettit, Debby Rossi, Sharon Henders and Brenda Counselor.

Patrols then divided to discuss the "social dependability" challenge. The troop then practiced the skit they will present at the father-daughter banquet Friday night.

Mrs. Louis Henders presided at the meeting in the absence of Mrs. R. B. Gist, Jr., leader.

the district race into a dead heat by knocking off Tulsa's Hornets, and should have plenty of incentive for doing so as they have twice taken defeats from the powerful Hornets crew.

The key to stopping Tulsa seems to lie in stopping hot-shot Freida Rousseau, who solved the Eagle defense for 41 points when the teams met Jan. 24 in Canyon.

The Eagle boys will be meeting the district leaders in the tall, rangy Hornets. Altitude is 6-5 men Oran Watson and Val Cox is complimented by 5-8 flash Johnny Goodwin.

Gene Howe PTA Meets

Gene Howe Parent-Teacher Association met Monday night for a program by the students portraying the skills learned through the physical education program of the school.

Under the direction of Mrs. Kathryn McBride, the students performed tumbling and trampoline acts. Grades 1-6 performed showing the process as taught to each grade level.

During the business session, a nominating committee was elected which included Raydell Palmer, Ernestine Harp, Sherrie Cates and Kathryn McBride.

The Gene Howe PTA is currently conducting a clothing drive as a project of the Amarillo area council to provide clothing for needy families reached through the school. Contributions should be mended, clean and tagged for size and brought to the school office for distribution by the school nurse.

Charles D. Bryan Dies In Houston

Funeral services for Charles Doyle Bryan, 22, were conducted Sunday at the Calvary Baptist Church of Canyon.

Services were conducted by Rev. Jack Boyett, pastor, with assistance from Rev. Travis LaDuke, First Baptist Church of Booker, and Rev. Irving Looney, First Baptist Church of Happy.

Interment was at Dreamland Cemetery under the direction of LaGrone Funeral Home. Active pallbearers were Richmond Graham, John Longan, Glenn Haley, Johnny McNeill, Rickey Harmon, Eddie Moudy, Jim Allison, and Stanley Collins. Serving as honorary pallbearers were Robert Lee Fox, Jerry Race, M. L. McGehee, and Jim Pickett.

Mr. Bryan, who as a sophomore student at West Texas State University, died last Thursday, February 2, at M.D. Anderson Hospital in Houston where he had been a patient.

Born January 17, 1945 in Amarillo, Mr. Bryan had lived 18 miles east of Happy all of his life. He was the son of Mr. and Mrs. Lester Frank Bryan.

Mr. Bryan was active in the Baptist Student Union at WTSU and was a member of Calvary Baptist Church of Canyon. Citizens of Happy arranged to have him flown back from Houston so that he could graduate with his class at Happy High School.

Surviving other than the parents are three sisters, Mrs. Steve M. McKee of Hereford, Mrs. Cecil Woods of Dumas, and Mrs. James Bible of Way-side; and a brother, Lee Dean Bryan of Happy. Another brother, Jimmy Dale, died in 1939.

Nazarenes Have Growth

The Nazarene Church of Canyon will begin the building of an educational facility in the near future according to Rev. Charles Jones, pastor.

During 1966, the church more than doubled in membership, church school enrollment and finances according to Rev. Jones.

VICKIE INMAN, Hereford sophomore, and Laura Arnold, Snyder sophomore, press the official West Texas State University flag, approved Tuesday by the Board of Regents, Texas State Senior Colleges. The flag was designed by Ben Kline, Oklahoma City graduate, and was approved by the Student Senate.

VERSATILE -- Jimmy Campbell, a defensive standout on the 1966 West Texas State University football team, proves his versatility as he models one of many "in look" fashions found in the Buffalo Follies' wardrobe. The junior tackle from Odessa is one of 40 West Texas football players that will appear in the variety musical and dance show this spring. The Follies have been booked in 16 Panhandle cities. The show will open in Canyon, with the first road performance set March 13 in Dimmitt. Mrs. Bob (Dixie Dice) Watson of Amarillo is directing the production.

WT Cadets At Ft. Sill

Some 50 ROTC cadets from West Texas State University attended a three-day orientation trip at Fort Sill, Okla. last week.

Accompanying the cadets were Col. Henry L. Calder, Jr.,

ROTC department head; Capt. Myron L. Trang, assistant professor of military science; Dr. Robert K. Leigh, associate professor of education; and Dr. Ray A. Malzahn, associate professor of chemistry.

The Fort Sill personnel presented a demonstration of how a mechanized rifle company operates during attack. The cadets also toured all the Fort Sill facilities in order to become acquainted with the type operation they will encounter in regular Army life.

The orientation trip at Fort Sill, which is near Lawton, Okla., is an annual affair.

Dr. Adams Joins WT Faculty

Dr. Frank D. Adams, who taught last year in Howard Payne College and who has been a free-lance writer for the past five years, has assumed duties as assistant professor of English at West Texas State University.

Dr. Adams formerly taught one year at Howard Payne and a year at Arlington State College. He is the author of a novel, "The Life and Times of Buckshot Smith," published in 1959 by Dutton, short stories, reviews, and articles in technical journals.

The new professor holds the B. A. and M. A. degrees from Texas Christian University, and the Ph.D. from the University of New Mexico. His doctoral dissertation was on the history of science fiction.

Dr. Smith is also the compiler of an aeronautical dictionary for the National Aeronautics and Space Administration.

Some 33 couples participated recently in a Mixed Scotch Foursome tournament at Canyon City Club.

The day of golf was concluded with a covered dish supper in the clubrooms.

Winners for the day on low gross were Mr. and Mrs. Charles Neil, first; Mr. and Mrs. James Doores, second; and Gene Read and Claudia Nunnley, third.

Low net winners were Mr. and Mrs. Eddie Knowles, first; Mr. and Mrs. Ernie Harp, second; Mr. and Mrs. Charles Allen, third; and there was a tie for fourth between Mr. and Mrs. Bill Williamson, Mr. and Mrs. Ed Harrington and Mr. and Mrs. John Hart.

Additional winners were Mr. and Mrs. Stan Elliott, high gross and Mr. and Mrs. Mayo McGhee, high net.

AAUW Views Red China

American Association of University Women will have a film on the "Face of Red China" at their meeting Saturday in the film room of the Library Building at West Texas State University.

The dessert meeting will begin at 2 p.m. and all members are urged to be in attendance.

Counselors Sought For Film Showing

Counselors for the upcoming evangelistic film "The Restless Ones" will meet Sunday at 2:30 p.m. at Calvary Baptist Church of Canyon.

All interested persons should contact Rev. Jack Boyett, who will conduct the course with assistance from John Staat, director of Hidden Falls Youth Camp. Training sessions for laymen counselors began last Sunday. The special training sessions will also be held this Sunday and again on February 19 according to Rev. Boyett.

The film of Billy Graham's crusades will be presented in Canyon February 22-25 at the Varsity Theatre. The non-denominational, non-profit film will be shown twice each evening during the four days here, along with a Saturday afternoon matinee.

Missionary Speaks Here Monday Night

Rev. Peter Burkhardt will conduct a special service at the Canyon Church of the Nazarene on Monday at 7:30 o'clock.

Rev. and Mrs. Burkhardt are currently on furlough from their missionary work in the newly independent South American country of Guyana.

The program here will feature the work of the Church of the Nazarene in Guyana. Rev. Burkhardt was born in Washington. He received his bachelor of arts degree from Northwest Nazarene College in Idaho with a double major in science and philosophy. Prior to his assignment overseas, Rev. Burkhardt was pastor of Nazarene churches in Washington for ten years.

Rev. Charles Jones is pastor of the local Nazarene church, which is located at 2108 13th Avenue. The public is invited to attend Monday's program.

News Briefs

TWO South Vietnamese soldiers visited in Canyon Saturday.

They are Sergeant Thu Nham Ngoc and Private Nguyen Van Nen. They came to Canyon with Mrs. Bill Oglesby to see the Oglesby children play basketball Saturday afternoon.

The soldiers have been studying jet machines at Amarillo Air Force Base. They have been here about three months and have spent several week ends in the Oglesby home.

The two soldiers are scheduled to return to Vietnam in the near future.

APPROXIMATELY 60 West Texas State University ROTC cadets will receive their branch assignments at a special ceremony at 2:30 p.m. today.

Upon graduation the cadets will be commissioned in infantry, armor, artillery, engineer or signal corps, said Capt. Thomas B. Edwards, assistant professor of military science at WTSU.
